Since our April, 2019 tour took us to New Haven, Ohio to visit the White Water Shaker Settlement's ongoing restoration, this year we will travel to **Shaker Village in Pleasant Hill, Kentucky**, the third largest of their communities with 3,000 acres. Established in 1805, it has been beautifully restored and interpreted to reflect the Shaker's ingenuity and refined, simplified style of living.

The Shaker religion was founded by Ann Lee of Manchester, England, and she set forth the doctrines professing her sect's beliefs and practices in 1770. With her followers, they came to America in 1774 to establish their first American Shaker community in Watervliet, New York. Eventually, 18 other settlements were founded: 12 east of the Alleghenies and 6 west.

Besides having the opportunity to tour this quintessential piece of Bluegrass property and Federal Style architecture, we shall have time to visit their shop, filled with tempting items for our perusal. In addition, we will be treated to a musical program highlighting their unique songs and dances held in an appropriate setting. The Shakers, in fact, received their name from their **erratic** movements in dancing.

Our lunch will be served especially for us in the West Family Building and features dishes made of the freshest seasonal ingredients from their garden. Before returning to Cincinnati with arrival by 7:00 p.m., Shaker Village will hold a reception for us.
